What are they playing here? At first it looks a little like tic-tac-toe, but that's not right. Then everyone seems to be messing around with origami, but you'd rather die than do that.

The image displays a complex geometric pattern, likely a digital artwork or a design for a textile or architectural surface. The pattern is composed of a central grid of squares, each containing a distinct design. The designs are primarily black and white, with some squares featuring repeating text patterns (e.g., "HERE", "NOT", "HERE", "NOT"). The overall composition is symmetrical and intricate, resembling a stylized architectural or abstract composition. The pattern is set against a white background, and the central grid is flanked by vertical bars on either side.
