

# WRONG GAME, ERNÖ

---

You've got the shape right, my Hungarian friend, but to solve this mystery, know that the answer to locking a criminal away lies with what touches the heart of the matter. The Who, What, and Where are just on the surface.

[Please see the supplemental packet for the rest of this puzzle.]

This is the supplement for **WRONG GAME, ERNŐ**.  
You will need your scissors and tape to create these 27 objects.
